4 Rule 243 of the Manl Account-manual lays down that all Estimates relating to the works should be Countersigned by the President of Manl. Cl. As the work under reference is a local fund work the Estimate thereof has already been countersigned by the Dy Comm.r as Presdt. of the D.B.d. The Manl. Council have only to pay their share of Contributions for the said work and hence no Counter signature of the Presdt of the Manl. Council seems necessary - The Manl. Council having only to place their contributions at the disposal of the D.B.D. The Presdt of the Manl. Cl. in his letter to the addressee the Executive Engineer sent recd now as enclosure (to P.U.D.) states that hitherto such Estimates were not being Countersigned by the President - In the above reasons either the Financial Secrett or the Chief Engineer may perhaps be Consulted in regard to the procedure to be followed in that case.

From

S. Cadambi, Esq.,

Chief Engineer of Mysore,

B a n g a l o r e

To

B. Ramaswamaiya, Esq., B.A., B.L.,

Secretary to the Government of Mysore,

Revenue Department, B a n g a l o re.

Sir,

With reference to G.O. No. G.4684-7/Medical 82-17-5 dated the 26th August 1919, I have the honour to inform you that the President, Davangere Municipality, has returned the estimate for constructing a Female Dispensary and an Apothecary's quarters at Davangere without countersignature stating that the same is not necessary for reasons given in his letter No.452 dated the 21st April 1921-copy enclosed.

2. Originally, the Deputy Commissioner was President of the District Board as well as of the Municipalities in a District. Now the Municipalities in a District have for their Presidents, separate officers, and the Deputy Commissioner is not their President in most cases. Under these circumstances, I request the favour of being informed whether the countersignature of the President of the Municipali Boards is necessary or not for estimates for which Municipal quota of contribution has to be paid.

I have the honour to be,
Sir,
Your most obedient servant,

R V Sundaram,
For Chief Engineer of Mysore

Letter No. 452 dated the 21st April 1921 from the President, Davangere Municipality, Davangere, to the Executive Engineer, Chitaldurg Division.

In returning herewith the file of records connected with the estimate for constructing a Female Dispensary and an Apothecary's Quarters at Davangere, I have the honor to state that my countersignati is not necessary, as this is a local fund work and the Municipality is only to pay some quota towards its charges. It is seen that the original estimate had been countersigned by the Deputy Commissioner and the President of the District Board, and that seems to be sufficient I beg to add that similar estimates in respect of which contributions had been paid by the Municipality on previous occasions have not been countersigned by the Municipal Presidents and as regards exeess charge, the resolution of the Municipal Council will be communicated on a reference from the Deputy Commissioner on that point.

The enclosures are therefore retransmitted with the request that the same may kindly be forwarded to the Deputy Commissioner and President of the District Board for favour of further necessary action.
